11:00 am

Break

11:15 am

SESSION THREE

Interactions between RPS Markets and Voluntary Markets

This panel discussion will present background information on the status of the voluntary market for renewable energy and will look at its interactions with RPS markets. It will also consider some of the recommendations in the recent RPS Collaborative report on *Two Markets, Overlapping Goals: Exploring the Intersection of RPS and Voluntary Markets for Renewable Energy in the U.S.*

Moderator:

- Lori Bird, Principal Analyst, Market and Policy Impact Analysis Group, NREL

Panelists:

- Jenny Heeter, Senior Energy Analyst, Market and Policy Impact Analysis Group, NREL
- Todd Jones, Senior Manager for Policy and Climate Change Programs, Center for Resource Solutions
- Brett Waikart, Director of Environmental Markets, SRETrade

12:30 pm

Lunch – Jefferson Ballroom III

1:30 pm

SESSION FOUR

Electricity Market Trends and Possible Implications for RPS Programs

This will be a wide-ranging discussion in which the panelists identify and discuss various trends affecting electricity supply, rates, and the mix of resources. The panelists will consider how these trends could impact state RPS programs. There will be opportunity for audience questions and comments.

Moderator:

- Warren Leon, CESA

Panelists:

- Tanuj Deora, Executive Vice President & Chief Strategy Officer, Smart Electric Power Association
- David Littell, Principal, Regulatory Assistance Project
- Steve Vavrik, Chief Commercial Officer, Apex Clean Energy
- Ryan Wiser, LBNL

3:00 pm Break

3:15 pm SESSION FIVE

Small Group Discussions for Networking and to Address RPS Topics of Special Interest

Participants will divide into five groups for discussions focused on specific technologies, RPS compliance issues, and regions of the country.

4:15 pm Break

4:30 pm SESSION SIX

Federal Court Cases that Could Affect RPSs

Two expert attorneys will examine the implications of recent and pending federal legal cases, including the recent nuclear zero emission credit cases in Illinois and New York, and the Allco cases in Connecticut. Among other topics, the session will consider the prospects for challenges to RPSs based on the Commerce Clause of the Constitution. There will be time for audience questions and comments.

Panelists:

- Robert Rains, Senior Energy Analyst, Washington Analysis LLC
- Harvey Reiter, Partner, Stinson Leonard Street LLP

5:30 pm ADJOURN
