Elevate - Who We Are

- Nonprofit founded in 2000
- 200+ employees
- 8 offices
- Local programs with national impact
- National policy and research
- Funded through government, utility contracts, and philanthropy

IL Climate and Equitable Jobs Act – Creating Community-Centric Opportunities

In 2021, Illinois passed the nation's most equitable and comprehensive climate action legislation. After three years of advocacy and decades of building power for people and the environment, Illinois finally put the needs of people and the planet over the demands of fossil fuel interests.
