

REQUEST FOR PROPOSALS FOR MUNICIPAL, STATE AND MULTIFAMILY SOLAR TECHNICAL ASSISTANCE

I. PURPOSE

The Connecticut Green Bank (“Green Bank”) seeks proposals from qualified firms (“Contractor”) for technical assistance in developing and managing state, municipal and affordable multifamily solar projects.

II. GREEN BANK BACKGROUND

The Green Bank was established by the Connecticut General Assembly in 2011. As the nation’s first green bank, it is leading the clean energy finance movement by leveraging public and private funds to scale-up renewable energy deployment and energy efficiency projects across Connecticut. The Green Bank’s success in accelerating private investment in clean energy is helping Connecticut create jobs, increase economic prosperity, promote energy security and address climate change. In 2017, the Green Bank received the Innovations in American Government Award from the Harvard Kennedy School Ash Center for Democratic Governance and innovation for their “Sparking the Green Bank Movement” entry. For more information about the Green Bank, please visit www.ctgreenbank.com.

III. PROGRAM BACKGROUND

The Green Bank Solar Marketplace Assistance Program (Solar MAP) helps Connecticut state agencies and municipalities go solar using its financing products. Through this program, the Green Bank provides turnkey support that simplifies every step of the process so partners can access renewable energy and energy savings with fewer challenges and roadblocks. Solar MAP provides comprehensive site assessment, feasibility, and design, secures incentives and partnerships for financing and Engineering, Procurement & Construction (EPC) services. Property owners contract with the Green Bank for each project using Green Bank financing products, such as the Solar Power Purchase Agreement or Solar Lease.

The Green Bank also looks to provide project development support to property owners of affordable multifamily properties. Eligible properties recently were granted access to the Residential Renewable Energy Solutions (RRES) program and the Green Bank seeks to scale solar and storage deployment in this sector.

IV. SCOPE OF SERVICES

 - ii) Inclusion of technical and engineering information such as metering, permitting, commissioning or other details required by the Green Bank or customers
 - iii) Inclusion of any customer construction requirements such as scheduling, time of work restrictions, or personnel requirements that the Contractor identifies during a, b, and c.

For instance, a Bidder may submit a proposal for Solar and Storage Technical Assistance for only the affordable multifamily sector.** Bidders should familiarize themselves with all proposal requirements prior to submitting their proposal. Should the bidder note any discrepancies, require clarifications or wish to request interpretations of any kind, the bidder shall submit a written request to Mackey Dykes, by email at mackey.dykes@ctgreenbank.com. Green Bank shall respond to such written requests in kind and may, if it so determines, disseminate such written responses to other prospective bidders.

- c. Contractors may be required to interview with Green Bank staff if deemed necessary.

3. PROPOSAL FORMAT

The following format should be followed in order to provide Green Bank with a working basis on which to compare one proposal with another. Each of the elements within this outline is expected to be addressed in any submitted proposal. However, additions may be made where necessary for purposes of clarification or amplification. Please limit proposals to no more than five pages.

a. EXECUTIVE SUMMARY

Cost estimates will be considered as "not to exceed" quotations, except to the extent that the assumed scope is changed by mutual agreement in writing.
2. If Contractor has discounted rates for governmental entities such as Green Bank, then please provide such rates.

VI. GENERAL TERMS AND CONDITIONS

If Contractor elects to respond to this RFP, submission of your proposal assumes the acceptance of the following understandings:

Proposals must also provide name, title, address and telephone number for individuals with authority to negotiate and contractually bind Contractor, and for those who may be contacted for the purpose of clarifying or supporting the information provided in the proposal.
4. Green Bank will not be responsible for any expenses incurred by any proposer in conjunction with the preparation or presentation of any proposal with respect to this RFP.
5. Green Bank's selection of a Contractor through this RFP is not an offer and Green Bank reserves the right to continue negotiations with the selected Contractor until the parties reach a mutual agreement.
6. Contractor will execute a Professional Service Agreement (PSA) as set forth in the attached Exhibit A. **If the Contractor does not agree with any of the specific terms set forth in the PSA, the Contractor must set forth such terms and rationale in your response to this RFP.**
